If we hold on together...

Don't lose your way,
with each passing day.

You've come so far,
don't throw it away.

Live believing,
dreams are for weaving,
wonders are waiting to start.

Live your story,
faith, hope and glory.
Hold to the truth in your heart.

I know our dreams will never die...

Our goodbyes.....

"The perfect human being is all human beings put together, it is collective, it is all of us together that makes perfection." (Derek Lomba)

"Thanks for making my first two years in America the best two years of my life. I won't forget you!" (Marina)

"Goodbye!!" (Erika)

"I would like to thank my father, Bonnie, Nana Harriet, Carlie, Paul, and Liam. Without their love and support, I would not be the person I am today. We have been through some very difficult times, but stayed there for each other. Also, Lena, Katie, and Annmarie for being friends through it all." (Kirsten Bradley)

"Whatever you have, you keep to yourself because what you say and the actions that you act upon can always come back to haunt you. So be careful what you decide to say and do." (Randdy Lindsey)

"Be careful what you ask for in life, 'cause what you get you may not be able to get out of, depending on what you ask for, you might not be able to get out of."
(Tamarlisa Auguste)

"May you find a big rainbow shining at you at the end of the day, for all the little rainbows you gave to me everyday." (Estelle Dang)

"Carpe Diem: seize the day. We are the future, don't let fear hold you back. No regrets. Don't spend your life thinking what could have been, just do it. Enjoy life to the fullest, just don't get into any trouble. I would say don't do anything I wouldn't do, but then that wouldn't leave very much. Peace and Love." (Ashé)

"An education is the best thing to have. If you grab it you will succeed. If you don't, you will fail and be lost in the mix." (Jaeshaun)

"I want to thank God, friends, family, and coaches, especially my best friend, who made me do work when I didn't want to, and to everyone who reads this know: I was the superb one!" (Eddie Matthews)

"To my entire family, thank you for putting up with me. I received much support! I love you all! To everybody I was cool with, I wish you all the best in life. To my junior buddies (you guys know who you are) I'm gonna miss y'all. Bye" (Fanouchka)

"The only thing I have to take with me is my graduation and the regret that I couldn't get to have more fun with my class." (Angell Diaz)

"Thank God!" (Evan Nunez)

"Even though I went through a lot of negative situations in the school, my family and the people who supported me made me have a positive feeling throughout the years." (Dennis)

"My football memories with a great coach." (Omar Lewis)

"Cathedral offered me something no public school could ever offer: moral support (through the guidance of God). Thank you." (Alison Lozano)

"In Cathedral High School, I leave my thoughts and prayers for the present and future students that attend Cathedral, and also the faculty that surrounds them. I take with me the hope which inspires me for the future, and also the knowledge I was given each and everyday attending Cathedral High School." (Katie Eno)

"I wish the class of 2000 the best of luck, and always believe in yourself and follow your dreams!!" (Troy Miller)

"I would like to thank my mother for always being there and telling me to keep my head up; everything is going to be OK. I would like to thank Sr. Patrice and Ms. Brady for going that extra mile for me to stay in school, and to all my friends, good luck to you. Class of 2000 will always rule. We are the best." (Tiffany Griffin)

"Take the road less traveled... I will be watching you walk into the sunset. I'll be kind to you to help you along the path." (Michael Lamerique)

"What should I say? I had fun... Please, give me that diploma and I'll be at the house." (Sean Templin)

"First, I would like to thank Mrs. Murch for having confidence in me, and for letting me know I CAN do anything I set my mind to. I want to thank Sr. Agnes, Ms. Lane, Mrs. Lynch, and Mr. Fils-Aime for being my mentors and for not doubting me. Because of you, I can stand with my fellow classmates as the class of 2000.
